

Promoting Your Plej link

Example Read:

“So, before we go any further, if you guys have any feedback on this episode, enjoyed a specific segment, or just want to support us, go to the description of the video right now and click on the Plej link. Plej is a platform that gives you guys the opportunity to support us with no commitment required. So, if you are a die-hard fan or you just really enjoyed this episode, go to the description and plej your love at plej.link. ”

Tips for promoting your plej link:

Ask For Feedback:

Reach out to our audience and ask them for feedback on your last video. When someone leaves a donation on Plej, they have the option to leave their name and a message. This is a great way to earn more and receive good feedback from people who care.

Ask For Suggestions:

If you want your audience to contribute and submit their own ideas for the direction of your content. Tell them that the power is in their hands to influence change on your channel. If they want their voice to be heard, they now have the option.

Main Points:

- Simple and fast
- Allows content creator to make the content they want to
- A one time donation platform with no commitment
- Accept all major credit cards, apple pay, google pay, venmo and paypal coming soon.
- Reveals what content audience enjoys
